## CODE RED

The Community Alerting System is an automated system that calls homes and businesses to notify them about serious emergencies or notifications. The system will also direct you to take specific actions during an emergency.

In the event of an Emergency, public safety personnel will identify the affected area of Reserve Township and activate the system. It will automatically call all telephone numbers within a specified area and deliver a recorded message. Uses for the Community Alerting System may include but are not limited to the following:

- \* Water Line Service Interruptions or Notifications
- \* Missing Person or Amber Alerts
- \* Emergency Evacuations
- \* Local Security and Crime Alerts
- \* Weather Emergencies

We **urge you** that if you have not already done so, PLEASE sign up for our Community Alert System. To sign up open your web browser and type the following address into your address bar:  
<https://public.coderedweb.com/CNE/BF078B4DEF7F>

When a notification is sent you will see CodeRed and a toll free number that appears on your caller ID. Please don't disregard this message. It's not spam or a telemarketing call. If you have a block on your phone from receiving these types of messages please unblock your phone or you will never receive the message. If you do not have computer access contact the Township Office.
