<https://public.coderedweb.com/CNE/BF078B4DEF7F>

When a notification is sent you will see Code Red and a toll free number that appears on your caller ID. Please don't disregard this message. It's not spam or a telemarketing call. If you have a block on your phone from receiving these types of messages, please unblock your phone or you will never receive the message. If you do not have computer access, contact the Township Office at 412-322-1551.

PUBLIC SAFETY ALERT

IMPORTANT MESSAGE FROM THE CHIEF:

Ask yourself this... if you have made a call to 9-1-1 and you're waiting for help to arrive; will emergency responders know which home on the street is yours? What if every second counts? Please be sure that your home's address is clearly marked either near the front door of the residence or out by the street—preferably on the mailbox if it's apparent that it's the mailbox for your residence. Street numbers must not be concealed, destroyed, faded or removed. Thank you for your cooperation.
