\* Contact the Code Enforcement officer 412-322-1551, to see if a permit is required before you start a project, including walls, fences or any accessory structure to ensure you are in compliance with Township Ordinances and Building Codes.

\* Township Ordinance #405 prohibits the owner and/or occupant within Reserve Township to place their garbage, rubbish, recyclable items or other refuse materials out for pickup earlier than twenty-four (24) hours prior to the normal scheduled pickup day. Scheduled trash pickup throughout the entire Township is Thursday. You are only permitted to place trash out on Wednesday.

This ordinance also requires that containers must be stored immediately after pickup to an obscure portion of the property until the next scheduled pick up.

### \* Please Pick Up After Your Pet

When walking your dog in our community, remember that it must be leashed. Also, it is important to remember to immediately clean up after your pet. Take along a baggie with you to pick up waste with and then dispose of it properly.

An **Occupancy Permit** is needed for new tenants and sale of property. **Tenant Registration** form is needed for every new tenant. Forms are available at the Township Office or on the website at **Reservetwp.com**. (There is a fee of \$50.00 for every occupancy permit needed). **Non-registration could result in citations**

\*Effective January 1, 2019 no water bill will be put in tenants' names unless a billing change request form is filled out by the owners of the property, and an **application for sewer and water service** is completed and a **\$200.00 security deposit** is received. All forms can be found on the Township Website and in the Township office.

Note: This does not release the owners from delinquent bills. Owners are still responsible for any & all outstanding bills not paid by tenants. (Ordinance #513)
