

*Video recordings of Reserve Township Board of Commissioners meetings are posted on the Township website strictly as a courtesy to help residents stay informed of business conducted at the most recent meeting. Each recorded meeting will only remain available on the website for approximately thirty (30) days until the video of the next regular meeting replaces the prior recording. Video recordings of meetings will not be archived or maintained by the Township and the official minutes of each respective meeting will continue to serve as the official record of the meeting pursuant to the Pennsylvania Sunshine Act.*
