*2024 Banner Community*

Each year, we celebrate local government during the month of April, highlighting the work that elected and appointed officials do in local communities to serve their residents, organizations and businesses. Local government, including municipal authorities, have the most direct impact of any level of government on the daily lives of residents. It is my privilege to honor the municipalities and authorities that are committed to professional development, prudent fiscal management, transparency, accountability, and proactive communications that engage community residents and stakeholders. Your designation as a Banner Community is a public recognition of those efforts, and an acknowledgement of how fortunate we are to have an entity that provides effective, efficient, and accountable services in Allegheny County. Congratulations on this recognition.

Presented on this 5<sup>th</sup> day of April, 2024
