IN THE SPOTLIGHT

**MEET TRISHA HOSAC, 34,
FROM RESERVE TOWNSHIP**

Fun Fact: My spouse, Andy Hosac and I got married in our living room on 12.11.21.

Trisha and Andy with the band Dematus

I work for WQED and WQED Film Academy as a Digital Producer and Teaching Artist. Film Academy is a program for 9th-12th graders, where we teach and help produce content/films.

The ideas come from the students themselves. Another part of the Film Academy includes going to different schools around the city and working with students of all ages.

As a digital producer, I work with the WQED team to produce our content. I've worked on our series "Sessions", featuring local musicians, and their series "Voices", which featured Graffiti Art.

Some of my hobbies are being creative with my friends and family, designing our home, doing projects around the house, and creating content for my own brand "Spacebat Productions" and "412nes". I also help manage my best friend's band, Dematus.

My family and dog still live in Corry, PA and I visit them 1 or 2 weekends every month. Family and friends are the most important things to me.
